## BUYER REGISTRATION AND PURCHASE INFORMATION FORM

The following information is requested for the purpose of presenting to the Seller, purchasers who are reasonably qualified to enter into serious negotiation for the purchase of a marine vessel or equipment. The disclosure of this information encourages sellers to deal promptly and openly in the negotiations concerning the buying and selling of their vessel.

**The information remains confidential with us and we will notify the Sellers that:**

*"We have made diligent inquiry of this prospective purchaser and we believe, based upon our investigation, that the purchaser is qualified and financially capable to enter into the purchase of this vessel."*
